

What is a School Advisory Council?

Each school in the State of Florida must have a School Advisory Council (SAC), a team of people representing various segments of the community, parents, teachers, students, administrators, support staff, business/ industry people and other interested community members. The purpose of a SAC is to assist in the preparation and evaluation of the results of the school improvement plan and to assist the principal with the annual school budget. The important thing to remember is that SAC will be creating plans for improving the learning of students. This is an awesome responsibility that involves everyone.

What does SAC do?

It is the responsibility of the School Advisory Council to help increase student success. The SAC focuses on the needs of students, including what they need to know (curriculum content) and what they should be able to do (performance) to help develop the School Improvement Plan (SIP).

Other key responsibilities of the School Advisory Council include:

- working as a team;
- holding well-publicized, open meetings;
- encouraging innovation; and
- involving other members of the school community in the school improvement process.

What is the School Improvement Plan (SIP)?

The School Improvement Plan is designed to achieve the state education goals and student performance standards. The plan must also address issues relative to budget, training, instructional materials, technology, staffing, student support services, and other matters of resource allocation as determined by board policy. The plan also should reflect any special interests and needs of the students and community served by the school.

When does SAC meet?

The meeting will be held live in Zoom, and members of the public may observe/access the meeting online by using this link: [Zoom Meeting Link](#). The meeting will not require a password.

September 24, 2025	9:00 am	February 18, 2026	9:00 am
December 17, 2025	9:00 am	May 13, 2026	9:00 am

An agenda will be posted on the school website and can also be obtained by contacting Brandi Byrd at bbyrd@vprepfla.org.
